Movie Night

Saturday, August 29th
8:30 p.m. at Tennis Courts

Mark your calendars for these great upcoming spring/summer events! More information will come out in the Summer Issue of the newsletter.

From the President...

As I write the article for our spring newsletter, I look out the window and see the gentle falling of snow flakes. What's wrong with this picture? It's March and just a few days ago the sun was out and it seemed that spring was beginning to show its face. No doubt, we have had a most interesting winter. I think it is safe to say that we are ready for the sunshine. I want to take this opportunity to remind everyone of the upcoming General Membership Meeting to be held on Thursday, March 26 at 7:00 at Woodmont Elementary. Remember this is your club. Your participation in this meeting and in all the other club activities is what keeps our organization thriving. Your WCC Board has been meeting on a monthly basis in order to ensure that club business is dealt with in a timely fashion. I would like to update you on a few items the Board has addressed. There has been a broken drain under the Al Smith stairway which drains water from the street. The City of Des Moines has acknowledged responsibility for this drain and made repairs. The stairs were closed for a period of time but are now reopened. Charter research is one of the Board's goals this year. Edie Staiger, Carol Beland, and Nancy Kennedy have volunteered to go through all the clubs documents that have been collected over the last several years, put them in order and purge information that is no longer needed. This is a huge task but in the end, we will have an easily accessible set of club documents organized by decades. One of the key factors in maintaining the "Spirit of Woodmont" is the variety of social events that take place during the year. We will continue to have our potlucks throughout the summer along with the Kid's Parade, the Father's Day Brunch. Also our Earth Day Event is coming up. In addition to these traditional events, the Board has approved a "Movie Night" that will take place just prior to the reopening of school. Mark your calendars and plan to attend these family events. Lastly, I want to express my appreciation to the unsung heroes in our community who do such a nice job of cleaning up the litter in the canyon. I know that this has been a frustrating issue for all of us. Thanks to all of you who pitch in and offer a hand. In conclusion, it is Sunday, March 15. As I end this letter, the hail is pounding against my windows. Oh well!

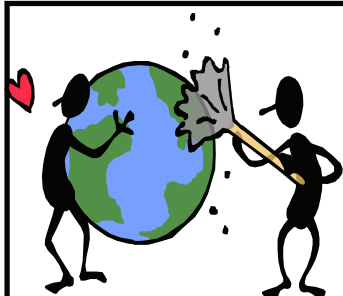

Michael Fuller
WCC President

Odds & Ends...

- We are looking for **volunteers** to help with the **Kid's Parade** this summer. If you have an interest in helping with this great community event for our kids and grandkids, please call **Janet Sorby @ 253-941-0811**.
- With recent events in our neighborhoods, it's more important than ever to be a neighborhood crime buster. Don't forget to **call 9-1-1** if you see any **suspicious activity** in the neighborhood; and, if you know of an incident that has involved you or a neighbor, e-mail this information to the Club at woodmontcc@hotmail.com. With this information, we can **alert the membership**. We all need to be diligent and watch out for one another!
- Remember that Des Moines has a **leash and scoop law**! If you are walking your dog in Woodmont, please keep your furry friend on a leash and scoop unwelcome deposits.
- In light of recent events in our neighborhood, the Board has made the decision to not continue the neighborhood annual yard sale event. We want to extend special thanks to Charlie Bingham for his years of service in organizing this event!

EARTH DAY WORK PARTY

Saturday, April 25th—9:00 a.m. @ the Plaza
(weather permitting)

Come to the plaza anytime Saturday morning and lend a hand cleaning up our little corner of the earth—there's plenty to do! Bring your garden gloves, rakes, wheelbarrows, clippers, weed whackers. There are projects big and small at the tennis court, along the trails and beach road and at the plaza. Refreshments provided!

NOTE: If you are not able to help but want to contribute in some way, we will have a donation box available or you can send a donation to the address on this newsletter. These donations help offset maintenance costs.
