Welcome Neighbor!

Thank you for your interest in membership. We are always pleased to add new members. Your yearly membership dues are used to pay taxes, fund maintenance projects and provide various social events for the community of Woodmont. It is one of the primary goals of the community to maintain the natural setting we all enjoy.

The Board of Directors is composed of ten members. The Board meets monthly to monitor the Club budget, maintenance projects and various social events. The Board has various committees to work on Club projects. We are always looking for additional help to serve on a committee.

General membership meetings are held at least twice each year, in March and May. Special meetings may be called from time to time as the need arises.

Attached is an application for membership for you to complete and return to the address indicated. Thank you, we appreciate your interest.
