DONATIONS

Many members include additional money to help with any number of projects on which the club may be working. The generosity of members in past years enabled the club to add planter boxes and plant flowers, shrubs and trees at the sports court. One goal we would still like to achieve is to have water available at the sports courts. We thank you for any amount you wish to donate to the fund.

DONATION \$ _____ **TOTAL AMOUNT ENCLOSED \$** _____

My signature below acknowledges that the use of Woodmont Country Club facilities by me, my family and my guests is at our own risk.
